Please be respectful that your proximity or request for proximity may make others uncomfortable.

Please review the document [COVID-19 Event Guidelines](#) that is located in Google docs and was emailed to the membership on 5/8/2020.

In addition to those guidelines the following changes and guidelines are in effect for this trial due to COVID-19.

TRIAL ENTRY INFORMATION

Trial Entry Open and Closing

- The draw period for the trial will open on Monday, May 3, 2021 at 12:00 PM EST. Entries will be awarded by random draw of all entries received between 12:00 PM May 3, 2021 and 12:00 PM May 5, 2021.
- Trial entry will close at the end of the draw if the trial and wait list are deemed full. If the trial and wait list are not full, the trial will remain open for entries until they are deemed full or on the closing date which is 12:00 PM on May 28, 2021.
- We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will receive information on how to submit payment. You will then have 48 hours to complete your payment to confirm your space in the trial

Entry Method

All entries will be on-line via the link provided to the NACSW trial entry form. Paper and phone entries will not be accepted. Completing the form is not a guarantee of entry. You will receive a confirmation from info@dooverdogtraining.com to let you know if your entry has been given a space in the trial.

Entry Requirements & Selection

A Qualified Entry is one that meets all the following criteria:

1. Complete the on-line trial entry during the draw period listed above.
2. The Handler is a NACSW member for the 2020-2021 membership year (8/1/20 - 7/31/21).
3. The Dog is registered with the NACSW.
4. Dogs participating in a trial must be at least one year of age.
5. The Dog has achieved the ORT title (passed all 3 odors) and prior title level at least 14 days before the trial opens for entries. This applies to all levels effective April 1, 2021.
6. Qualified entry for NW3 – Dog has earned a NW2 title and has not yet earned the NW3 Elite title level..
7. Qualified entry for Level 1 – Dog has not earned the Level 1 title for Interiors or Containers.

Trial spaces will be determined in the following manner:

- Spaces will be awarded by a random draw of all Qualified Entries received during the draw period listed above.
- In the event that you are having technical difficulties with the entry system, please email trialentry@nacswnet prior to the end of the draw period.
- No dog will be given a space in more than one trial of the same level at a single event.
- You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to an alternate dog. If multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full.
- If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the ORT title or title requirements. These entries will be accepted pending completion of the requirements. **Note:** dogs must earn their ORT title and prior title level at least 3 days prior to the trial date to be eligible to compete. If the required title or ORT title is earned less than 14 days prior to the event, it is the competitor's responsibility to notify the host that the requirement has been completed.
- After all entries received during the draw period are processed, if the trial level is still not full, entries will continue to be accepted in the order they are received through the closing date or when entries fill.
- For Exhibit Only Dogs (FEO): Dogs running FEO are not eligible to receive titles or earn placement ribbons. FEO results will not be included in the posted trial results.

If space remains after all qualified entries are accommodated on May 15, 2021, then we will offer spaces for those who wish to run a dog For Exhibition Only (FEO). Second dog/handler FEO entries on the same day will be offered spaces after May 25, 2021.

- The trial host of an event has the right to refuse entry of any competitor or dog for just cause as approved by the National Trial Committee. Just cause includes lack of adherence to NACSW rules and guidelines and the policies outlined in each event entry premium.

- Some trial entries may be given priority entry based on contributions to the organization and the trial process.

You will be notified via e-mail of the results of the random draw by 12:00 PM May 12, 2021. If you have a spam blocker on your email account, please configure it to allow email from info@dooverdogtraining.com in order to ensure delivery of confirmation and information about this trial.

You will then have 48 hours to complete your payment to confirm your space in the trial. Trial payments are payable to Do Over Dog Training by PayPal or credit card. PayPal and credit card are paid through the PayPal site - no PayPal account required.

A waiting list for alternates will be started as soon as entries fill.

LOCATION DETAILS

Trial Conditions

Modeled after real-life detection work, NACSW trials are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Trials frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly. Participants should expect to spend most of the day outside or in their vehicles as there are rarely indoor crating options at trials. Please be prepared for you and your canine partner to deal with all these varying environmental challenges. Handlers should familiarize themselves with potential regional risks and health concerns that may affect themselves or their dogs. Handlers agree that they are entering this trial at their own risk.

Site Specific Conditions

This trial location is a camp. The parking lot is grass and the pathways and search areas may require you to navigate gravel roads, dirt pathways in the woods and rough terrain. The search areas and parking are spread out so there will be long walks to the search areas that will involve moderate elevation changes. There may be steps to enter some of the search areas.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, the expected search

areas, parking, and pathways to the search areas may be modified at the last minute.

Reactive Dog Parking

There will be reactive dog parking at this trial for those who wish to park in this area, however the parking is tight and there will not be separate potty areas or warm up boxes.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

Unentered Dogs

Unentered dogs must remain in the competitor's vehicle during the trial day. There will be ample potty areas, but unentered dogs should not be allowed to "play", exercise, or train on the trial grounds.

RV Parking

There is LIMITED space for RVs to park in the competitor parking area during the trial day. To reserve a space, you will need to contact the host after you receive a confirmation that you have received a space in the trial. Email info@dooverdogtraining.com to reserve RV space. No overnight RV parking is available.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

Running Vehicles or Generators in the parking lot

There is ample parking and we will have a separate parking area for those wishing to run their vehicles or generators during the day.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

Smoking

Smoking is not allowed on this trial site, including the use of e-cigarettes

Hotels

A list of area hotels and directions will be provided with entry confirmations.

DOG INFORMATION

Dog Policies

- All dogs must be on a 6' leash at all times when not being tested. NO flexi-leashes while not participating in a competition search.
- Reactive and/or spatially challenged dogs should wear a red bandana (to be provided by the dog's handler) to help signal others that the dog needs extra space from other dogs.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating testing space, interrupting a test, or from viewing any part of the testing.
- Competitors should expect to keep their dogs confined in a crate or vehicle when not competing. The logistics of a trial typically do not allow for dogs to hang out on leash in between searches. Competitors should plan to provide their own shade using canopies or shade cloths.
- Refer to Location Details (above) for information on unentered dogs.

Females in Season

Will be allowed to run wearing "pants" at the very end of the running orders after all other dogs have been judged. Females in season will be parked and pottied in areas separate from the other dogs while at the trial if the location logistics permit. Handlers must contact info@dooverdogtraining.com so plans can be made for the dog.
